### **Cerebral Palsy of Colorado Presents the 23rd Annual Exotic Sports Car Show and Concours d'Elegance**

*A fundraiser for CP's children's programs*

**June 4, 2006** - DENVER - Cerebral Palsy of Colorado (CP of CO), will present the 23rd Annual Exotic Sports Car Show and Concours d'Elegance, Sunday, June 4, 2006 at the Arapahoe Community College, in Littleton, Colorado.

With an anticipated 8,000 - 10,000 in attendance, the all day affair is the largest show of its kind in Colorado! Included in the day's event is the opportunity to view over 300 rare and exotic sports cars, child passenger safety demonstrations, food and fun for the whole family. This unique occasion celebrates the rich traditions that draw automobile enthusiasts from around the nation.

Ninety cents of every dollar raised goes directly into helping children who are the most at-risk in the Denver Metro area. From birth through five, and including children of all abilities, CP of Colorado strives to ensure that each of its children and families maintain the dignity and quality of life that so many of us in Colorado enjoy.

Benefactor Cerebral Palsy of Colorado's Creative Options Early Education Centers offer its families the tools that will allow them to thrive as citizens. In an era when returns are so poignant, an investment in CP of Colorado's programs is quite literally an investment in the community. And as with traditional investments, these returns are tangible. For every child that CP helps educate, is has the potential to create a meaningful life. For every parent that CP helps stay informed, it allows that parent to make educated decisions about their child's future. CP's prevention and intervention strategies address the challenges that face all of Colorado's children, regardless of ability.

Tickets are \$10 for adults, children under 12 are free. They are available at the gate on the day of the event, online at [www.cpco.org](http://www.cpco.org), or by calling CP of CO at 303-691-9339.
